

## Hot Springs

### Our Mission

The Hot Springs SeniorNet Learning Center is one of over 200 SeniorNet locations throughout the U.S. and is based on the belief that helping older adults to acquire and then apply computer literacy skills will not only enhance their self-esteem but will also allow them to have access to a world of information available in today's technology oriented society. The Hot Springs SeniorNet Learning Centers 100% volunteer staff is intent on carrying out the SeniorNet National organizations mission to provide older adults education for and access to computer technologies to enhance their lives and enable them to share their knowledge and wisdom.
